

FIND YOUR SIZE

MEN

Take measurements whilst in your underwear. Use a tape measure. Remember to keep the tape measure tight when measuring, without pulling it. Measure according to instructions and compare your measurements with the right table. All measurements in the tables are close body sizes.

Leg lengths of many of our trousers can be extended. Refer to the instruction below.

- A** Chest width: Measure over the widest part of the chest.
- B** Waist width: Measure where you normally have your waistband.
- C** Seat width: Measure over the widest part of the seat.
- D** Inside length measurement: Measure along the inside of the leg, from fork to floor.
